- Introducing Barclay plus, our brand new contraceptive service providing hormonal coils and implants.
- Our hubs offer nexplanon implants, whether it is your first one, an exchange or removal of your current one. We also offer hormonal coil insertion or exchanges. These can be used for contraception or as part of an HRT regime.
- We offer appointments on Saturdays in our Edinburgh and Livingston branches both of which have excellent transportation links and free on-site parking.
- Booking your appointment is simple with our user-friendly online platform and we aim to provide appointments within 2 weeks.
